

Every Nation Update India (Victor) | Small Group Discussion

Ministry and India:

1. What region of India does Victor work in and how does Greg refer to that area?
2. When Victor finds a new village that has never heard of Jesus, how does he go about sharing the gospel message?
3. The villagers will sit down and listen to Victor's stories and messages from the Bible, but why is it important for him to not use the words "conversion to Christianity" when he speaks?
4. How does prayer play an important role in Victor's ministry and in sharing the Good News?

Discussion:

1. Have you ever had the opportunity to lead someone to Christ? How hard do you think it would be to share the gospel with a community that has zero concept of who Jesus or God is?
2. Why does Victor's team look forward to Christmas every year? What are practical ways in your community that you can follow Victor's example and share the real excitement for the season?

Application:

1. Victor returns to the villages often to explain the gospel and the process of coming to Christ. This often takes time. Are you patient in sharing with others? Do you consistently pray for opportunities to share?
