1. Nadasia/Mary viewed her life as only a burden. How has God transformed her life, when her physical circumstances have stayed the same?
"I have learned that God can meet you where you're at. When I thought I was a burden and with no purpose God changed my heart and now uses me and my husband for a greater purpose."
2. What price will a Muslim pay when they become a Christian? How does World Mission work with these new believers?
Often when a Muslim comes to faith they will face Family rejection, limited or no schooling for children, or possibly even death. World Mission works to support these believers by helping them relocate for a period of time and connecting them with other believers.
3. How does showing the love of Jesus open hearts to accepting Him as their Lord and Savior?
Love and kindness are traits of Jesus and soften the heart to hearing HIS words of transformation and power. It is following Jesus' example.
